Subscription and License Details:

License Type:
□ Enterprise Floating □ Global Floating □ Continental Floating □ Country Floating

Licensed Region or Country (if Continental or Country Floating): _____ Number of Floating Seats: _____

An **Enterprise Floating License** permits End Users from the Customer and its Affiliates (as defined in the Terms) to access the software Product worldwide on a Floating-Use Basis (i.e., concurrent users may not exceed the number of floating seats purchased). This is the broadest license type and is appropriate when the Customer's affiliates also need access.

A **Global Floating License** permits End Users from the Customer (but not its Affiliates) to access the software Product worldwide on a Floating-Use Basis. This license is appropriate when only the Customer entity (not its affiliates) needs access but users are located in multiple regions.

A **Continental Floating License** permits End Users from the Customer to access the software Product within a single defined geographic region or continent (e.g., North America, Europe, Asia-Pacific) on a Floating-Use Basis. Access from outside the licensed region is prohibited unless separately licensed. The licensed region must be specified on this Order Form.

A **Country Floating License** permits End Users from the Customer to access the software Product within a single specified country on a Floating-Use Basis. Access from outside the licensed country is prohibited unless separately licensed. The licensed country must be specified on this Order Form.

Support Tier (as described in Schedule 1 to the Terms): □ Tier 1 (Self-Serve) □ Tier 2 (Email) □ Tier 3 (Phone + Priority Response)

Number of Training-Exempt Projects included: _____

ORDER FORM ACKNOWLEDGMENT

By signing below, Customer agrees to the following terms:

1. **Governing Terms.** This Order Form is governed by Cadonix Ltd.'s Terms and Conditions, available at [LINK] (the "**Terms**"), and is effective as of the date set forth above. This Order Form, together with the Terms, the Cadonix Acceptable Use Policy, Privacy Policy, Data Processing Addendum, and any applicable Schedule(s), constitutes part of the Agreement (as defined in the Terms). Capitalized terms used in this Order Form and not otherwise defined herein will have the meanings assigned to them in the Terms. References to "Customer" in this Order Form have the same meaning as "User" in the Terms.
2. **Purchase Orders**. Customer may issue a purchase order for internal tracking purposes only. Other than the line items that serve to order the Products described above, in no event will any purchase order or other document issued by Customer modify or become part of this Order Form or otherwise be binding. Cadonix's acceptance of or performance under a purchase order does not constitute acceptance of any terms in that purchase order.

AGREED AND ACCEPTED:
